Washington, D. C., Tuesday, December 2, 1924

## ANNUAL HOP FOR VICTORIOUS TEAM

Expected That Letters And Sweaters Will Be Awarded At Annual Dance

### HEADED BY G. W. CLUBS

Proceeds, After Deducting Expenses, Will Be Applied To Athletic Activities

The stage is all set for the annual Football Hop, one of the most popular events on the University social calendar, which will be held in the new gymnasium Friday evening. Edward Reimuth, with his chosen few, will provide music for the dance, which will last from 10 till 1.

Committees have been appointed by each of the two G. W. clubs, with H. Clay Espey, manager of last year's rifle team, acting as chairman, and Hillary A. Tolson, president of the Men's G. W. Club, and Daisy Robson, president of the Women's G. W. Club, acting ex officio. These committees have made elaborate arrangements for the dance.

Among other things planned for the evening, President Lewis, Coach Crum, Captain Guy Hottel and some of the football stars will probably speak. Letters, certificates and sweaters will probably also be awarded to the men during the evening.

This is the first George Washington Football Hop to be held on a University floor. The new gymnasium is sufficiently large to accommodate several hundred couples, and all other conditions being favorable, it is expected that the hall will be filled to capacity.

After deducting expenses and a small amount for the annual inter-class track and field meet given under the auspices of the G. W. Clubs, the proceeds from the dance will be given to the general athletic fund to be applied to the athletic budget. By this and other means it is hoped to raise sufficient funds to organize and equip a varsity baseball squad and a fencing squad.

The dance will be informal. Tickets may be secured from the Registrar's office and from members of the letter clubs at \$2.50 per couple.

## EPISCOPAL STUDENTS TO MEET THURSDAY

Episcopal students of George Washington University will hold an organization meeting Thursday night at 8 o'clock, in Room 29, Corcoran Hall. All G. W. students of the Episcopal faith are invited to attend.

It is thought by its organizers that such a club will be a good influence on the campus, as well as encourage a spirit of good fellowship among the Episcopal students.

Although societies of this nature have long flourished at other schools, this is probably the first attempt at a sectarian club at George Washington.

## STUDENTS MAY SECURE DUPLICATE COUPON BOOKS

Duplicate activities coupon books will be issued to students who have lost their book only after a written request for a duplicate has been submitted to the committee by the student, according to a motion passed at the last meeting of the committee.

Students who have lost their coupon book and desire a duplicate must submit a written request to the chairman, Dean William C. Van Vleck, of the Law School, and if the request is approved by the committee, a duplicate will be issued upon the payment of \$2.

## TENNIS CHAMPIONSHIP TO BE DECIDED SOON

The women's tennis championship of George Washington is soon to be decided in the last match to be played off this season on the University courts.

Frances Walker and Cecyle Taylor will compete for honors, the winner of this match to be declared champion and presented with a cup.

### JUNIORS TO MEET

The Junior Class of Columbian College will meet Wednesday, December 3, in Lisner Hall to make plans for the coming social events. This is a very important meeting and Stanley Clark, the president, is anxious that everyone should be present.

## LAW SCHOOL JUNIORS HOLD ANNUAL SMOKER

Dean Van Vleck, Speaking To Juniors, Promises New Law Library

A library with 40,000 volumes and accommodations for 150 students will be available to the members of the law school next year, according to a statement made by Dean William C. Van Vleck in an address to the Law Juniors at their annual smoker, held Monday, the 24th, at the University Club.

The prospect of such study did not appear to worry the future Seniors, however, who continued to enjoy themselves in the present.

Other speakers were the Hon. Frank K. Nebeker, former Assistant Attorney General of the United States, and Hon. Jesse Barrett, the Attorney General of Missouri.

Professor Collier acted as toastmaster. Professor Spaulding sang several times.

Attorney General Barrett stressed the necessity of ethics rather than shrewdness as the basis of a successful legal career; while Mr. Nebeker gave an interesting discussion of the prosecution of the I. W. W. in Chicago, where 101 men were convicted. The trial lasted four and one-half months.

The smoker was well attended by members of the Junior Law Class, who pronounced it a very successful evening.

## WAGNER TO RECEIVE 1925 CHERRY TREE

A 1925 Cherry Tree, with his name stamped upon the cover in gold, will be presented to Dean Wagner, sturdy George Washington football star who made the two touchdowns against Catholic University last Thursday, by Arthur C. Perry and Edwin S. Bettelheim, editor and business manager of the 1925 Annual.

Prior to the contest on Thanksgiving Day the Cherry Tree management announced that its contribution to George Washington spirit for the winning of this game would be a copy of the 1925 Cherry Tree to be awarded to each player scoring a touchdown against the Brooklanders. Wagner was the only player who scored a touchdown.

## STUDIO READY TO TAKE CHERRY TREE PICTURES

The Lettau Studio, 1328 G street northwest, have contracted to take the Cherry Tree pictures for the 1925 annual, and sittings may be had either in cap and gown, civilian dress, tuxedo or draped (in the case of sororities).

Pictures will be taken at the regular price of \$2 a sitting until December 15. After that time the price will be increased to \$2.50. Students are urged to have their sittings as early as possible in order to avoid the holiday rush.

The contract with the studio provides for a discount of 25 percent from the list price for all students who desire to purchase finished pictures for themselves.

### WRITERS TO FORM CLUB

A movement has been under way for some time to organize a Writers and Philosophers' Society at George Washington University. Thelma M. Conerly, the originator of the idea, announces that a meeting will be held next week in her studio at apartment 1004, at The Chaumont.

All persons interested in the formation of such an organization are requested to communicate with Miss Conerly at once.

Meetings are to be held semi-monthly. Prominent writers will meet with the members for informal discussion of topics in which the society is interested.

## G.W. DEBATING TEAM TO INVADE EUROPE

Team To Be Selected By National Education Association

Phi Delta Gamma Forms G. W. Chapter Is One Of Seven Branches Of National Forensic Fraternity

George Washington University debaters will probably represent the United States in the British Isles in 1926, competing with such English and Scotch universities as Oxford and Cambridge, President William Mather Lewis announced last Friday night at a banquet given by the newly installed local chapter of Phi Delta Gamma, National Forensic Fraternity.

The team to represent the United States is selected by the National Education Association, which held a meeting in New York recently, attended by President Lewis.

Dean William A. Hamilton, of William and Mary College, the national secretary of Phi Delta Gamma, forcefully outlined the aims and ideals of the fraternity, appealing for the development of "men to dominate the masses through their intellectual equipment." He stressed the importance of personality and earnestness in forensic endeavor.

Other speakers were Professors Robert W. Bolwell, Gilbert L. Hall, Charles S. Collier, Fred A. Moss and Elmer Louis Kayser.

Professor Bolwell made a plea for the new plan for the organization of university dramatics and asked the support of Phi Delta Gamma for the project.

Professor Collier emphasized the need for developing a type of debater in the university commanding both logic and entertaining delivery. He urged the local chapter of Phi Delta Gamma to actively engage in fostering this kind of debating.

The need for ethics in debating was noted by Professor Hall.

Professors Kayser and Moss, members of the local chapter, spoke briefly on the opportunities for the fraternity in George Washington University.

The George Washington University chapter installed last May is one of the seven charter chapters of the Phi Delta Gamma National Professional Forensic Fraternity. The other chapters are at the University of Iowa, Ohio University, University of Minnesota, University of Illinois, William and Mary College, and the University of Southern California.

The fraternity, organized after a two-year survey of the colleges of the United States made by William O. Moore, of the University of Iowa, aims to develop and maintain a greater interest in forensic work; that is, in oratory, debate and dramatics.

It is in these three fields that the fraternity's work is to be done. It aims to promote an immediate and appreciable advance in the forensic phase of University work. Phi Delta Gamma is not an honorary forensic fraternity. It does not seek to displace or compete with any of the honorary forensic fraternities.

The decline of forensic art in colleges all over the country has become a matter of concern to educators within recent years. The traditions of facile, well-informed oratory, energetic, brilliant and interesting debate and a live, natural dramatic art have not been upheld. It is the purpose of Phi Delta Gamma as a national organization to reassert these standards and vitalize every branch of forensic art.

The George Washington chapter expects to be actively engaged in promoting these ends.

The members of the University chapter are as follows: Robert W. Pulliam, J. Foster Hagan, W. Waldo Girdner, Kermit C. Girdner, Stanley A. Clark, Leroy A. Crofts, Ray C. Crowell, James C. Davis, Jr., Edward B. Moulton, Fred H. Wright, Meador Wright, Elmer L. Kayser, Fred A. Moss and Robert W. Pulliam.

### INSTALL 50TH CHAPTER

Kappa Delta last week celebrated the installation of their fiftieth chapter, Alpha Alpha, at Michigan Agricultural College. Local members wore green and white ribbons to commemorate the event.

### SENIORS MUST REGISTER

Will all Seniors who are candidates for graduation at either the February or June convocations make the fact known to the Registrar at the earliest possible moment?

It is urgent that all applications for graduation be filed at once.

## BIG PRIZES OFFERED FOR SPANISH ESSAYS

Contest To Promote Interest In Spanish Language And Literature

Thirty-five hundred dollars has been offered in prizes by the La Prensa and the American Association of Teachers of Spanish to students in colleges and secondary schools for excellence in Spanish studies.

The students who participate must choose their topics from a list printed in La Prensa, which appeared in the issue of October 15, 1924, and will be reprinted once a month thereafter. The length of the essay is approximately 600 words for secondary schools and 1,500 words for colleges. A certificate, signed by the principal of the school or the head of the Department of Spanish, stating that the candidate has composed himself, without the aid of a teacher or a Spanish-speaking person, the essay presented, must accompany the essay.

There is no limit as to the number of words for students who are seeking an A. M. degree in Romance languages. The essay may be a thesis presented in 1924-25 by a candidate for the degree of A. M., but it must have reference to the Spanish language, literature or similar topics in relation to Spain or any country in Spanish America.

All manuscripts, except those written by candidates seeking an A. M. degree, which must be presented before September 1, 1925, must be delivered to the regional chairman or before April 1, 1925.

The region in which George Washington is placed is under the supervision of Professor Doyle. Those interested in the contest can secure complete details from Professor Doyle.

## MASONIC CLUB INITIATES NINE AT RECENT MEETING

Many members of the George Washington University Masonic Club met in the Gavel Club rooms on Thirteenth Street last Friday evening, at which time the following candidates were initiated into the club: P. D. Blackhear, W. A. Gatchell, C. B. Graham, S. G. Gettle, J. T. Haughey, C. C. Marble, E. L. Phillips, S. B. Teu, and J. S. Whitney.

The club has started upon a definite program to get the Masons of the University better acquainted, so that they can take a more active part in the affairs of George Washington.

The next meeting of the club will be held December 10 at the Gavel Club rooms, 719 Thirteenth Street. All Masons of the University are cordially invited to be present and to join the club.

## COPY COMING IN SLOW FOR THE SILVER ROD

The date of the first publication of "The Silver Rod," literary magazine which is being planned by independent students of the University, is uncertain owing to the fact that copy has not been coming in as rapidly as expected.

This magazine is only in the experimental stage, and will be published only with the consent and under the supervision of the Publications' Council. The editors have been working diligently and hope to present a work which will become popular among the students. They feel that a sufficiently large number of the students are interested in this kind of a publication to make it a success.

The editors are anxious to secure contributions from any member of the student body. Critical essays, poetry, short stories and other literary matter are particularly desired. All contributions may either be left at Paul Pearlman's book store, 1711 G street, northwest, or mailed to Thomas H. Seibert, 1817 Nineteenth street northwest.

## BUFF AND BLUE WIN FINAL GRID BATTLE

Buff And Blue Upsets Football Dope By Scoring Two Touchdowns Against C. U.

### WAGNER SCORES BOTH

Largest Crowd Ever To Witness A G. W. Game Packed Catholic Stadium

The strains of "C. U. Will Shine Tonight" soon turned into the mournful monotonies of the funeral dirge, and G. W. U. did an excellent job of painting Catholic University "buff and blue," spreading 14 broad stripes down the backs of the Maroon and Black gridmen. Six thousand fans yelled themselves hoarse from the George Washington stands, while 6,000 sat in silence as the Hatchetmen swept their ancient enemy off their feet and plastered a 14 to 0 defeat upon them.

Twelve thousand spectators lined the new Catholic University stadium at Brookland for the Turkey Day battle. The day was overcast, the air was cold and cheerless, but a mid-summer sun could not have warmed the G. W. U. supporters as did the valiant efforts of the team that Captain Hottel led to victory over the Brooklanders.

"Pep" Balter and assistant cheer leaders were on hand and kept the G. W. stands in a frenzy throughout the entire contest. During the intermission at the half, 2,000 G. W. students poured over the field and engaged in a snake dance around the goal post, after which they solemnly counted the score for the benefit of the C. U. supporters.

President and Mrs. Lewis and many others of G. W.'s faculty and alumni watched the game from special boxes on the sidelines.

Starting Dick Newby, former Princeton halfback, in the quarterback position, and using Malone on end and J. McLain at left half, Coach Crum outwitted the C. U. coaches and upset some of their plans of defense. Newby played a wonderful game, directing the team with precision and accurate judgment, and ripping off many yards on brilliant broken field runs. His run back of a punt in the third quarter, when he carried the ball 40 yards to the C. U. 10-yard line, was one of the neatest pieces of broken-field running ever seen in this vicinity.

Dean Wagner played a hard and fast game at right half, his broken-field running rivaling that of Newby. Dean scored both touchdowns, and was directly responsible for putting the ball in a scoring position before the second count, ripping off 12 yards to the 1-foot line when it seemed that G. W. must lose the ball on downs. John McLain played a heady game at left half. This plucky little back pierced the C. U. line several times for substantial advances and played a wide-awake defensive game. "Big" John Loehler outpunted the far-famed Bailey. His booting in the face of a strong wind in the second quarter was a surprise, even to those who have watched him kick before, one boot in the third quarter going for 70 yards.

Too much praise cannot be given to the line. They outplayed the C. U. forwards, man for man, and broke through, smearing many plays. Captain Hottel and Goldman at guards, Resh and Kris at tackles, and Vann Wagner at center were invincible. Malone and Zollar played wonderful games on the ends, time after time turning the famous Denault into tacklers or stopping him for a loss. Twenty-nine G. W. players saw service against the Maroon and Black, Coach Crum running in his entire string of substitutes before the final whistle. Laux and Lamar made two first downs just before the fray ended.

For the Maroon and Black squad, Denault was the star. He played a fine game at halfback, and C. U. was very much weakened when an injury forced him to retire towards the end of the third quarter. Captain Cornell also played well.

The Hatchet team scored 12 first downs to 3 for their opponents, and completed six forward passes for a gain of about 75 yards. Three Hatchet passes were intercepted. The Brooklanders tried only four passes; two were intercepted, and the only one completed netted but 6 yards.

The first score of the game came in (Continued on Page 3)

WASHINGTON, D. C., DECEMBER 2, 1924

**A DANCE FOR EVERYBODY**

With their goal line crossed only four times during the entire 10 games played this season, the George Washington team is deserving of the pride placed in them by the student body. The team this year is undoubtedly the best ever boasted by the University, and with prospects for practically the entire squad to be back next year, with some brilliant scholastic additions, we need have no fear for the future of football at George Washington.

With an exceptionally heavy schedule of 10 games, the Hatchetite warriors have accounted for six victories, three defeats, and one tie. It is no wonder the student body turned out en masse for the game with Catholic University Thanksgiving Day.

It is just as evident that the students will be behind their football team when it comes to supporting the Football Hop, the annual dance given in honor of our football team. This will probably be one of the most entertaining evenings during this part of the school year, and besides having a good time themselves the supporters of this dance will make it possible to finance some University athletic activities which it would probably otherwise be impossible to finance.

Why not support the Hop? It will be another way to disappoint those few knockers in the University who think we have no spirit!

**STUDENT ACTIVITIES**

Although the financial stability of student activities has been provided for by the assessment of a general activities fee, yet the sum derived is not sufficient to adequately support the numerous branches of activities in which students of the University are interested. As compared with many of the larger educational institutions throughout the country, our expenditures for activities are extremely small.

Football leads the list with an approximate expenditure of \$8,000. Few other schools in the country would undertake to develop a team on such a small amount; yet the George Wash-

ington team has an imposing record for the year.

In addition to football there are a large number of athletic activities in the University, many of them with little or no financial support from the student activities fund. Track has an allowance of \$850, and anyone knows it is difficult to equip a track squad of 30 or 40 men with shoes, track uniforms, and such other necessary equipment as hurdles, discus, shot and javelin, and after this has been deducted from the fund to still have a sufficient amount to send even a few of the best men to the South Atlantic and a few other out-of-town meets during the season.

Baseball has just recently been authorized by the Faculty Committee on Student Activities as a major sport—but no funds were provided for the support of baseball. It will undoubtedly cost several hundred dollars to purchase uniforms and equipment, then if the team is to play games with other schools it will require additional funds. Fencing, another new athletic activity, has been eliminated from the athletic budget because of lack of sufficient funds.

Not only is there an apparent necessity for more activities funds for athletics, but dramatics, debating, music, publications and the social activities of the University are operating on small budgets.

Several methods have been suggested for raising additional funds to take care of some of the more outstanding needs in these activities. The proceeds of the football hop will be appropriated to athletics; plans have been discussed for giving several benefits, such as inter-mural meets, indoor track meets and interclass contests.

Such efforts as these are worthy of every support from the student body because it is for the benefit of the students that they are given. Let's give them all the encouragement we can.

**ARE MEN ALWAYS MEN?**

Yes, the game last Thursday was a wonderful game! Five thousand loyal students are willing to agree it is the best game George Washington ever played—and the players themselves played a clean, hard game of football.

But it seems that all good things are attended with certain evils, and the evil influence a victorious football team has on some men is most harmful. It is a shame that some few must let their craving for public notice lead them beyond the boundaries of discretion. It has been one of the firm commands of President Lewis and the administration that students shall not, in violation of both law and common decency, attend a University gathering while in an intoxicated condition.

But to partake of the spirituous nectar in full view of the entire student body is almost unbelievable. No man so thoughtless and indifferent to others is a fit person to uphold the fair name of our University.

**SWIMMING TEAM TO MEET NAVAL ACADEMY AND C. U.**

Contracts are being prepared for meets for the George Washington University men's swimming team with Swarthmore, Catholic University and the Naval Academy.

While dates for these meets have not been definitely agreed upon, it is probable that G. W. will meet Swarthmore at Swarthmore, Pa., January 17, and the Naval Academy at Annapolis, February 14. What will probably be the only home meet of the year will be held January 31 with Catholic University, in the Brookland pool.

While experienced men are still needed, the squad will be increased this week when Newby and Miller, football men, report. Newby was South Atlantic diving champion while at Central High School and swam on the Princeton varsity squad. Miller was a plunge man at Western High School.

Zeta Tau Alpha pledging and tea were held Sunday afternoon at the home of Ruth Daniel, 1661 Newton Street. The neophytes are Elizabeth Gladman, Julia Watkins, Elizabeth Edwards and Louise Franklin.

Sigma Nu Fraternity entertained the members of the football team and a number of other guests at an informal dance at the chapter house on Thanksgiving night.

The Sigma Alpha Epsilon, Kappa Alpha, Sigma Phi Epsilon and Sigma Chi Fraternities vied with each other in celebrating the holiday season by holding informal dances Wednesday evening at their respective chapter houses.

Among the George Washington co-eds visiting the Naval Academy at Annapolis for the Thanksgiving Hop were Misses Helen Hall, Grace Adkins, Virginia Sinnott, Betty Jacquette and Mary Battle.

Ned Smith was host at a formal dinner party last Thursday in celebration of the football victory, having as his guests Misses Helen Hall, Sarah Pick, Mary Griffith, Betty Jacquette and Virginia Sinnott, and Messrs. Charles Hayes, Arthur Logan, Pittenger and Wrightson.

Miss Mildred Wilgus entertained on Sunday afternoon at the home of her sister, Mrs. A. Harding Paul, for the actives, alumni and pledges of Sigma Mu Chapter of Kappa Delta. The

decoration scheme was cleverly worked out in green and white, the fraternity colors.

Mrs. Julia Bishop Coleman, national president of Delta Zeta Sorority, visited the Alpha Delta Chapter of

George Washington University during the first part of last week.

Kappa Sigma Fraternity entertained at their first formal dance of the season at the chapter house last Friday evening.

Artificial lightning was first publicly demonstrated on June 5, 1923, in the laboratory of the General Electric Company at Pittsfield, Mass., when a two-million-volt spark crashed into this miniature village

**What's the use of artificial lightning?**

It is mainly experimental, aiding General Electric scientists to solve high power transmission problems. Many such experiments yield no immediate return.

But in the long run this work is practical and important. It is part of the study which must go on unceasingly if this powerful force, Electricity, is to be fully tamed and enlisted in your service.

Experiments like these are particularly thrilling and important to young men and women, who will live in an age when electricity will perform most of life's hardest tasks. Know what the research laboratories of the General Electric Company are doing; they are a telescope through which you can see the future!

If you are interested to learn more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

## BUFF AND BLUE WIN FINAL GRID BATTLE

(Continued from Page 1)

the second quarter. Loehler had missed a drop kick by inches in the first period, and J. McLain had carried the ball to the 1-foot line in the early part of the second period without scoring. The Buff and Blue was not to be denied, however. Near the end of the quarter a pass, Loehler to Zollar, put the ball on the 20-yard line. Dean Wagner went off tackle for 4 yards. Newby took the ball to within a yard of the goal on a beautiful plunge. Dean Wagner smashed it over. Lamar was rushed in and executed a neat drop kick for the extra point.

The third quarter ended with the ball on C. U.'s 16-yard line. Dean Wagner smashed off left end to within an inch of the white ribbon. He was given the ball on the next play and scored standing up. Kris and Goldman opening up a hole in the right side of the line large enough to drive a two-horse team through. Dick Newby almost laid the ball on the ground for his drop kick, booting a looper that cleared the bar nicely.

Newby caught a C. U. punt shortly after this and raced from his 40-yard line to within 10 yards of C. U.'s goal. G. W.'s chances for another score faded, however, when D. Wagner fumbled when tackled on the next play. The substitute team was on the way for another score when the whistle ended the fracas.

Only once during the entire contest was the ball in G. W. territory, and then it was but on the 49-yard line, a punt brushing Loehler in the second quarter, and Donohue recovering for C. U.

The shade of night had fallen before the game was over, and it was a hilarious squad of Buff and Blue men that walked off the field victorious. This battle evens things up between the two schools, giving three victories to each.

The summary follows:

| G. W.          | Position | C. U.           |
|----------------|----------|-----------------|
| Zollar         | L. E.    | Donahue         |
| Resh           | L. T.    | White           |
| Hottel (Capt.) | L. G.    | Kerrigan        |
| Wagner, V.     | Center   | Fitzgerald      |
| Goldman        | R. G.    | Regan           |
| Kris           | R. T.    | Vorsanger       |
| Malone         | R. E.    | Moore           |
| Newby          | Q. B.    | McCarthy        |
| Wagner, D.     | R. H. B. | Denault         |
| McLain, John   | L. H. B. | Garvin          |
| Loehler        | F. B.    | (Capt.) Connell |

Score by periods:

|                   |   |   |   |      |
|-------------------|---|---|---|------|
| George Washington | 0 | 7 | 0 | 7—14 |
| Catholic Univ.    | 0 | 0 | 0 | 0—0  |

Touchdowns: D. Wagner (2). Points after touchdown: Lamar and Newby. Substitutions: George Washington, Lamar for J. McLain, J. McLain for Lamar, Lamar for Newby, Haynes for Hottel, Banville for Goldman, Clements for V. Wagner, Laux for D. Wagner, Long for J. McLain, Bowen for Malone, Kenney for Zollar, Levy for Kenney, DeLashmutter for Bowen, G. McLain for Loehler, Bloom for G. McLain, Fletcher for Loeb, McNeil for DeLashmutter, Miller for Kris, Loeb for Resh, Guise for McNeil, Logan for Levy; Catholic University, Bailey for McCarthy, McCarthy for Bailey, Bailey for McCarthy, Lafond for Donahue, Donahue for Denault, Moynihan for Kerrigan, McGann for Regan, Kelly for Moore, Blight for Kelly, Bly for Donahue, Dickerson for Bly, Bannon for Dickerson, Patterson for Blight. Officials: Referee, Mr. Harmon (Bethany); umpire, Mr. Towers (Columbia); head linesman, Mr. Daniels (Georgetown). Time of quarters, 15 minutes each.

## PROSPECTS BRIGHT FOR 1925 FOOTBALL TEAM

Prospects are that an even better team will report for football next year, as most of this year's veterans will return. Some of the members of the team have completed four years of work this season, but intend to take post-graduate work. As none of these men have played four years of college football, they are eligible for the team next year.

It is expected also that the excellent showing made by George Washington this fall will attract many players to the University.

Coach Crum has been trying to book games for the 1925 season with the best teams in the country. Three teams have already been signed up: Juanita, Buffalo and Western Maryland.

## NO POST-SEASON GAMES FOR FOOTBALL TEAM

Coach Crum, in a statement given out after the G. W.-C. U. game, definitely announced that the season for our football team is over.

He, with other University authorities, thinks it best not to prolong the season, and for this reason declined to accept Gallaudet's offer for a post-season game. Nothing further has been heard concerning the Colorado game.

It was also announced that the schedule for next year is nearly completed and will probably be ready for publication by the next issue of The Hatchet.

The splendid showing made by the team last Thursday pleased him a great deal, as well as the wonderful support of the students, who turned out almost full force.

## S. A. E. EVEN HONORS WITH THETA DELTS

Contest Between Former Champs And Runners-Up Ends In Defeat For Phi Sigs

### ACACIA IS OTHER VICTIM

All Teams Show Lack Of Practice, But Unusual Enthusiasm Prevails

Last Monday night the new gymnasium rang for the first time with the shouts of rival fraternities. Before an audience that broke all past attendance records for interfraternity contests Sigma Alpha Epsilon and Theta Delta Chi humbled their rivals in the first games of the basketball series.

Theta Delta Chi and Phi Sigma Kappa took the floor first. Teams representing these two fraternities played the game that decided the school championship last year, and spectators who anticipated a close, hard-fought game were not disappointed. The final score was Theta Delta Chi 16, Phi Sigma Kappa 12.

The Sigma Alpha Epsilon-Acacia game first promised to be a closely contested affair. The first half ended with the Student Masons only five points behind their rivals. But they were unable to hold their pace, so in the second half the Sig Alphas scored 16 points to their 4. The final count was Sigma Alpha Epsilon 35, Acacia 8.

S. A. E. had practically two complete teams, and their play during this game indicated that they will be one of the chief contenders for the cup.

The Sig Alph cheering section was one of the features of the evening. All of the teams showed a lack of practice, but this was largely compensated for by the enthusiasm of the individual players. Ten-minute quarters were played. Coach Jack Daily refereed both games.

## LAST "PEP" RALLY HELD BEFORE THE C. U. GAME

George Washington football enthusiasts held their fourth "pep meeting" of the year Wednesday night, November 26, in the new gymnasium. The meeting was staged by a joint committee of the Pyramid Honor Society and the G. W. Club for the purpose of getting up "pep" for the C. U. game Thursday.

"Bun" Tolson and Henry James presided. President William Mather Lewis addressed the gathering, emphasizing the value of clean athletics. When a man plays football to exalt himself rather than his school, said President Lewis, his colors cease to be buff and blue and become yellow and blue.

Dean Van Vleck, Prof. Gilbert Hall, Coach "Maud" Crum and Guy Hottel, football captain, also made short speeches. "Pep" Balter then led the students in cheer practice. "Hail To the Buff and Blue," Eugene Sweeney's new song, was sung for the first time and made a decided hit. About 250 were present.

## FORMER HATCHET EDITOR VISITED SCHOOL FRIDAY

Robert H. McNeil, last year's editor of The Hatchet, paid a holiday visit to Washington, and saw many of his old associates on the G Street campus Friday morning. The Ohio air seems to have agreed with Bob, as he was looking fine.

## INTERFRAT TOURNEY WELL UNDER WAY

Two Games Scheduled Each Night Until End Of Championship Series

With a victory credited to each, Theta Delta Chi and Sigma Alpha Epsilon over Phi Sigma Kappa and Acacia, the interfraternity basketball series which started last night in the new gymnasium promises to be one of the most interesting on record. According to the present schedule, two games will be played each night until the end of the series, about December 15.

In order to facilitate the speedy termination of the tournament, the 10 participating fraternities have been divided into two leagues of five teams each. The victors in each league will meet in a final battle for the cup. Theta Delta Chi is the present titleholder, having been victorious in last year's fray.

A total of 21 games will be played, two taking place each night. Men who have won their letters at varsity basketball will not be permitted to play. With this exception, all active men and pledges are eligible.

### LEAGUE NO. 1

Monday, December 1

9 P. M.—Phi Sigma Kappa vs. Theta Delta Chi.  
10 P. M.—Sigma Alpha Epsilon vs. Acacia.

Wednesday, December 3

9 P. M.—Phi Sigma Kappa vs. Sigma Alpha Epsilon.  
10 P. M.—Theta Delta Chi vs. Acacia.

Saturday, December 6

9 P. M.—Phi Sigma Kappa vs. Acacia.  
10 P. M.—Theta Delta Chi vs. Sigma Nu.

Tuesday, December 9

9 P. M.—Phi Sigma Kappa vs. Sigma Nu.  
10 P. M.—Theta Delta Chi vs. Sigma Alpha Epsilon.

Thursday, December 11

9 P. M.—Sigma Alpha Epsilon vs. Sigma Nu.

Friday, December 12

9 P. M.—Acacia vs. Sigma Nu.

### LEAGUE NO. 2

Tuesday, December 2

9 P. M.—Delta Tau Delta vs. Sigma Phi Epsilon.  
10 P. M.—Theta Upsilon Omega vs. Kappa Sigma.

Thursday, December 4

9 P. M.—Delta Tau Delta vs. Theta Upsilon Omega.  
10 P. M.—Sigma Phi Epsilon vs. Kappa Sigma.

Monday, December 8

9 P. M.—Delta Tau Delta vs. Kappa Sigma.  
10 P. M.—Sigma Phi Epsilon vs. Sigma Chi.

Wednesday, December 10

9 P. M.—Delta Tau Delta vs. Sigma Chi.  
10 P. M.—Sigma Phi Epsilon vs. Theta Upsilon Omega.

Thursday, December 11

10 P. M.—Theta Upsilon Omega vs. Sigma Chi.

Friday, December 12

10 P. M.—Kappa Sigma vs. Sigma Chi.

## WAGNER LEADS SCORERS WITH SIX TOUCHDOWNS

With a total of six touchdowns (36 points) to his credit, Dean Wagner, speedy Hatchetite halfback, leads the G. W. football team in scoring for the 1924 season. Bo Lamar, quarterback, stands second with 32 points, three touchdowns, one dropkick, and eleven points after touchdown, while Loehler, fullback, rates third with four touchdowns, or 24 points. The scoring follows: D. Wagner, 36; Lamar, 32; Loehler, 24; Long, 12; Bowen, 7; Malone, 6; Zollar, 6; Laux, 6; and Newby, 1. G. W. U. ran up a grand total of 130 points to 28 for their opponents. The Buff and Blue won six games, tied one, and lost three, for the most successful season in years.

## GIRLS' BASKETBALL TEAM WILL START PRACTICE

Miss Woodford And Coach Jackson Speak At Meeting Held Monday Evening

Last Monday night the girls' basketball team held their second meeting of the year in building 4. Manager Alice Haines announced that basketball practice will start Thursday, December 4, and will be held each Tuesday and Thursday at 8:15 p. m. until the end of the season.

For the girls who do not have sufficient experience and training to make the varsity squad practice will be held in the gymnasium every Wednesday and Friday afternoon from 3 to 4.

Mary Jackson, women's athletic director, who will coach the girls this season, made a short talk in which she told of the advantages to be derived from making or even attempting to make the varsity team. Beatrice Woodford, a member of last year's varsity team, made a short but interesting talk on the prospects for the coming season.

Manager Haines is anxious to get in touch with all girls interested in basketball, and wishes to secure the name, address and telephone number of all persons who desire to come out for practice. Communications to her should be sent in care of the Gamma Beta Pi Sorority, George Washington University.

## INJURED IN TOURNEY

The Inter-fraternity basketball games last Monday night were marred by an injury sustained by Arthur Reams, one of the Sigma Alpha Epsilon players. Reams had his shoulderblade broken and is now in the hospital.

## FACULTY COMMENDED BY HONORARY BODY

Chemistry Fraternity Adopt Resolution Praising Interest Of Hodgkins And McNeil

At a recent meeting of Eta Chi Sigma, honorary chemical fraternity, resolutions were adopted and presented to Dean Howard Lincoln Hodgkins and Dr. Hiram C. McNeil, commending the University faculty, and particularly those two members of the faculty, for the interest they have taken in promoting the chemistry department of the University.

The primary object of the fraternity is to promote the advancement of chemistry in the University, and recognizing in Dean Hodgkins and Dr. McNeil, as well as the other members of the faculty connected with the chemical department, the interest they have in this part of the University curricula, passed the following resolution:

Whereas, it is the avowed purpose and established principle of this organization to foster and support the advancement of chemistry both in the graduate and undergraduate schools at George Washington University, and

Whereas, the faculty of this University has seen fit to add to the curricula several new courses in advanced chemistry, viz., electro-chemistry and chemical thermodynamics and has established a laboratory for the pursuit of physical-organic research and has secured competent and prominent teachers for these new courses,

Therefore, we wish to extend our sincerest thanks and appreciation to the faculty of the University and particularly to Doctors Howard L. Hodgkins and Hiram C. McNeil who have made this advancement of the chemistry department possible.

## STOKES WINS FIRST IN TURKEY DAY SHOOT

Walter R. Stokes, George Washington rifleman and twice all-around individual rifle champion of the world, won first choice of the turkeys offered at the Turkey Day shoot staged on the Camp Simms range last Thursday morning by the George Washington Rifle Club. Stokes won his turkey by turning in a score of 50 plus nine 5's in the prone and the high aggregate score of 93.

Lawrence Neussline, world champion in the sitting position, a member of the American Olympic Rifle Team, took the second feathered beauty with his high standing score of 44 and second high aggregate score of 92. Prizes for the next high totals were won by Sergeant Dempsey, of Camp Humphreys, 91; Sergeant Thill, D. C.

National Guard, 89; H. Clay Espey, George Washington University, 89; Ralph C. Stokes, Olympic rifleman, 89; and Bernsdorff, D. C. National Guard, 89.

R. V. Reynolds, captain of the D. C. Civilian Rifle Team which participated in the national matches of 1921, was among those shooting in the contest Thursday. Among the high score George Washington men were H. Clay Espey, E. M. Newcomb and G. R. Trimble, captain of the University rifle team.

This event was a revival of the former annual Thanksgiving Day shoot which has been discontinued some time. As a result of the enthusiasm shown and the successful outcome of the contest it will probably be staged as an annual affair under the auspices of the George Washington University rifle club.

## PROFESSOR HAS ARTICLE IN HARVARD LAW REVIEW

Updegraff, Taking Graduate Work At Harvard, Writes On Element Of Interest

Appearing in the November issue of the Harvard Law Review is an article by Clarence Milton Updegraff, Instructor in Real Estate and Personal Property in George Washington University Law School, who is on a year's leave attending the Harvard graduate school. For his subject Professor Updegraff has chosen "The Element of Intent in Surrender by Operation of Law."

In this article Professor Updegraff points out that there are two classes of surrender, surrender in deed and surrender in law. He finds that the surrender "by deed or note in writing" requires a constitutive document, but surrender "by act and operation of law" is intended to be proved by some other kind of evidence.

The article is primarily a discussion of the element of intent, and examples cited lead to the supposition that the mere acts affecting surrender are not conclusive, but their effect may be controlled by the intent with which they are done.

In the case of a lease, according to this article, when the minds of the parties concur in the common intent to relinquish the relations of landlord and tenant, and execute this intent by acts which are tantamount to a stipulation to put an end to the agreement, there arises a surrender by act and operation of law; but where there is no common intent to relinquish the relationship of landlord and tenant and no mutual agreement to rescind the contractual obligations of the lease, the doctrine of surrender in law will not bring about such result in spite of the intention of the parties.

## DRAMATIC CLUB PLANS "LAFAYETTE PAGEANT"

At First Meeting Of The Dramatic Council Plans Are Made For Centennial Celebration

The first formal meeting of the newly organized Dramatic Council, composed of representatives from the two dramatic organizations, with Professor Bolwell as chairman and Professor Croissant as an advisory member, was held at Lisner Hall November 26. This meeting marks the beginning of a new system of dramatics for George Washington, which provides for a governing or supervisory body at the head of this activity.

Plans were discussed at this time for a pageant to be given December 15 at Corcoran Hall, in dedication of the Lafayette Alcove, the cast to be chosen from the talent of the University, either from the student body or from the "Mimes" or "G. W. Players." A committee was appointed by Professor Bolwell to work out plans for the Lafayette Pageant.

Other business included the choosing of a group to write a constitution for the council.

WEDNESDAY, DEC. 3

12:20 P. M.—Chapel.  
7:30 P. M.—Meeting of the Junior Class of Columbian College in Lisner Hall.

## Low Cost Trips to EUROPE Summer of 1925

WHY don't you plan to go to Europe next summer? You can—at a cost within your means. Last summer thousands of students and teachers learned how to do it. On one voyage of the Leviathan alone over 70 institutions were represented by 225 students and teachers. In 1925 thousands more will enjoy the pleasures of a European trip. You can be one of them if you will only get the facts.

The United States Lines have made it possible for Americans to go abroad comfortably yet economically. Exclusive accommodations, formerly third class, have been prepared and reserved on U. S. Government ships. The cost of passage is only \$85 and up. This includes clean, comfortable cabins, good food, willing service, exclusive deck and dancing space, and many other features.

You can learn all the details by sending the coupon below. Illustrated literature, including a Princeton Professor's account of his trip last summer will be sent you at once. Varied itineraries to help you plan your trip are included in this booklet. Start to make your plans now. Talk them over at home during the Christmas vacation. But get the facts now.
